

**YBL MIKLOS UNIVERSITY - ELDERLY HOUSE - SEBA RZK**

Simi privet garden with secondary entrance

privet garden on the roof

A2  
SITE PLAN

SITE : Budapest Zugló Rákospatak Partja2

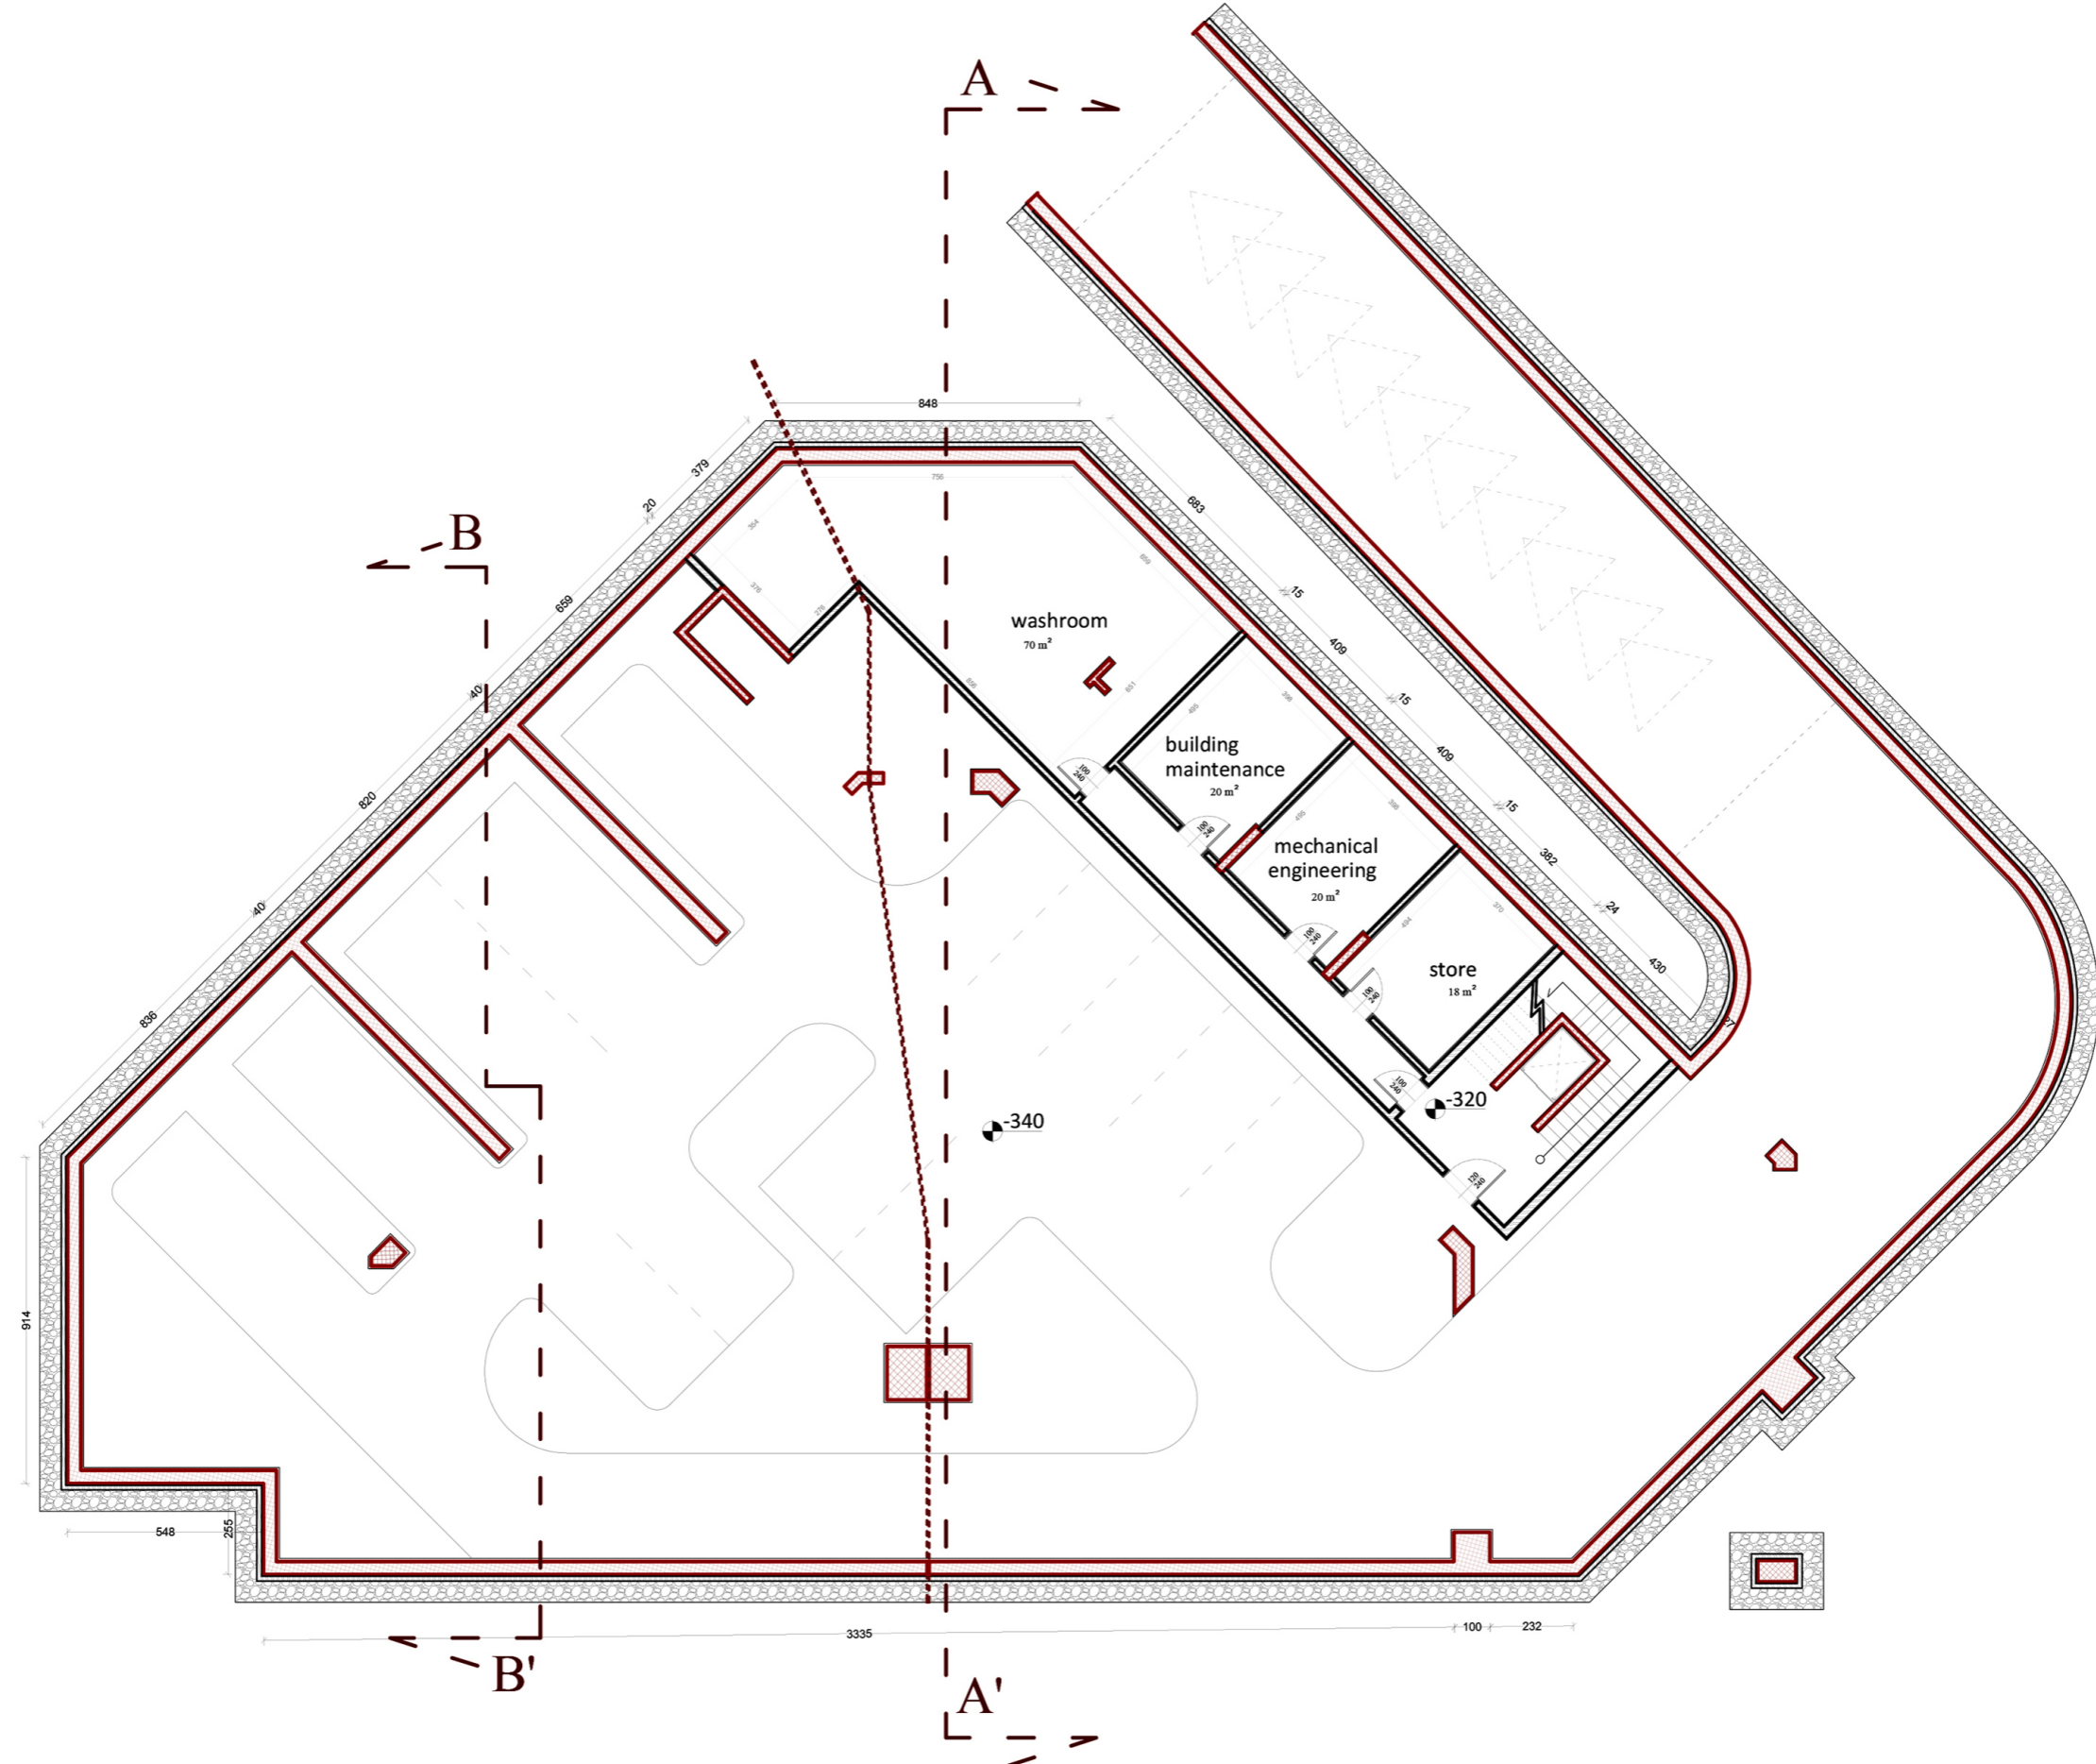

The aim of this project is not just to have a shelter, but to have interactive atmosphere with the local neighborhood. The semi open garden and the side access help to provide this feature. Roof garden provide kind of private place for those who would like to have a quieter time. Strong structure and the brick clad give the building its form.
