STU

PARKING

STU

STU

STU

The image is a digital architectural rendering of a modern building's entrance. On the left, a large, light-grey concrete wall features the letters 'STU' in a bold, sans-serif font, which are backlit with a warm yellow glow. To the right of this wall is a wide, covered walkway supported by a series of thick, rectangular concrete pillars. The ceiling of this walkway is a flat, grey concrete slab. In the background, a courtyard area is visible, featuring a mix of materials including brickwork on some buildings and lush green trees. The sky is a clear, deep blue with a few wispy white clouds. The overall aesthetic is clean, minimalist, and industrial.
