

COMPLEX OF COMMUNITY

A detailed architectural rendering of a modern building complex. The scene is dominated by a vast, flat floor made of a grid of light-colored rectangular tiles that recede into the distance. In the background, two main building structures are visible. The one on the left is a long, low-profile building with a series of glass-walled balconies or walkways. The one on the right is a more prominent, angular structure with a large, sloping glass facade and a white, geometric roof. The sky is a clear, pale blue, and the overall lighting suggests a bright, sunny day. The text 'COMPLEX OF COMMUNITY' is overlaid at the top in a large, white, serif font.

NAME AND SURNAME : AHMAD SALMAN

The New Meeting Spot in Namık Kemal Square, Famagusta Old Town
