

NAME : YUDESH SK

**UNIVERSITY : CRESCENT SCHOOL OF
ARCHITECTURE**

SUPERVISER : AR. SARITHA

PROJECT DESCRIPTION

The project aims to stimulate and reward innovative thinking about how a house can be designed for the client. The design should harmonize with the natural environment, incorporate sustainable practices, and demonstrate innovative spatial solutions. It allows you to gain knowledge about design methodologies and the functions of spaces. It also involves studying standards related to the spaces to achieve the required design.
