

NAME: GOOPIKA SREE.V

UNIVERSITY: CRESENT SCHOOL OF ARCHITECTURE

SUPERVISOR: AR.SARITHA

PROJECT DESCRIPTION:

The project aims to stimulate and reward innovative thinking about how a house can be designed to the client.

The design should harmonize with the natural environment, incorporate sustainable practices, and demonstrate innovative spatial solutions.

It allows you to gain knowledge about design methodologies and functions of spaces.

It also involves standards study about the spaces to achieve the required design.

CONCEPT SHEET

A TROPICAL CONTEMPORARY WEEKEND COTTAGE

PROJECT OVERVIEW
 The weekend cottage is envisioned as a cluster of interconnected pavilions around a central social core. It allows nature, light and breeze to flow through the spaces creating a serene tropical retreat.

The form evolves as a cluster of pavilions connected through open and semi open spaces, encouraging outdoor living and visual connectivity.
