 MENTOR
AR Oviya

A 16-year-old aspiring architect driven by curiosity, creativity, and a deep passion for meaningful design. I believe architecture has the power to solve problems, inspire people, and shape a better tomorrow.

“ I design with purpose.
I build with imagination.
I aspire to create a balance of **clarity, functionality, and uniqueness** in every space I envision.

*Every line I draw,
takes me closer to
the future I dream of.*
- Krishnaraj

VISION FOR TOMORROW

To design spaces that are **timeless, sustainable,** and deeply human.
