

ROOM TYPES

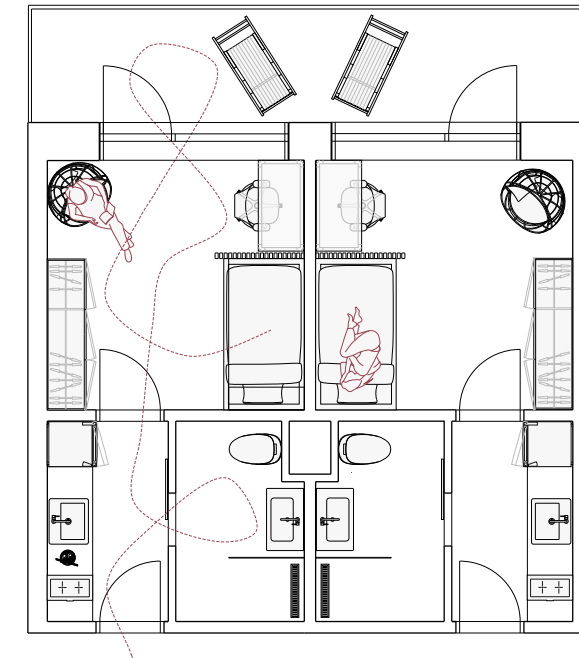

VIP SUITE

An above-standard two-room apartment featuring an open-plan living room with a kitchenette and a bedroom with a balcony. It offers maximum luxury and comfort within the campus, serving primarily for VUT professors, temporary accommodation, or Airbnb rentals

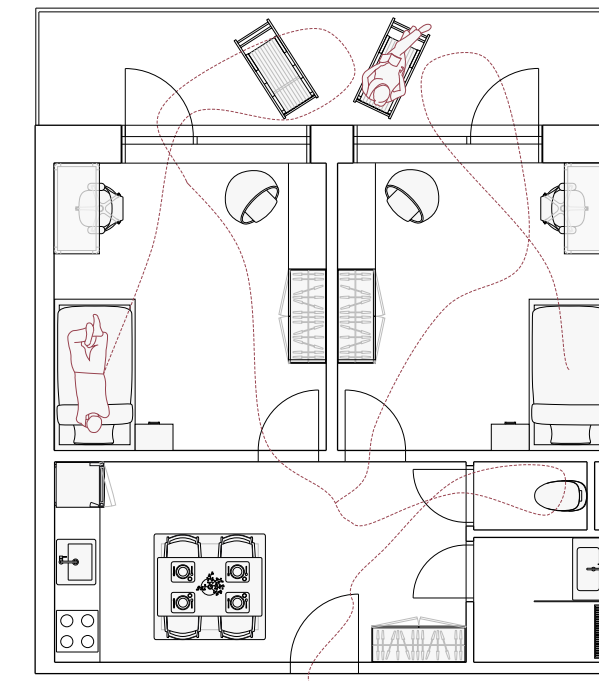

ROOM A

A modest single-occupancy student room with private sanitary facilities, a bathroom with a shower, and a mini-kitchen. It provides the highest degree of privacy for studying while retaining all the benefits that student housing has to offer

ROOM B

A medium-comfort single room sharing a central node with an adjacent single room. This shared space includes a kitchen with a dining table, a separate bathroom, and a toilet, offering the ideal balance between social interaction and personal privacy

ROOM TYPES

ROOM C

The most economical option consists of two double rooms with a shared kitchen, bathroom, and separate toilet. They do not compromise on quality and are the most spacious, making them an ideal choice for couples or friends seeking an authentic student living experience
