OKHTEIN

OKHTEIN is a fashion brand that was founded by two Egyptian sisters, Aya and Mounaz, who are passionate about recreating and telling the stories of art and history through unique, handmade pieces. The brand is dedicated to redefining the modern Arab woman and celebrating female Arab empowerment and heritage while breaking global stereotypes. OKHTEIN's philosophy is centered around duality, family connections, and unity, which enable the creation of amazing opportunities. The brand believes that the best luxuries in life are those that can be shared.
